Route order is a cached scaffold. Live conditions take priority.

DAY
01

Leh → Sham Valley

MORNING

Arrive or begin from Leh. Keep the first movements simple and establish the route rhythm toward Leh.

AFTERNOON

Focus on acclimatize, Old Town, Shanti Stupa and local food; Indus-side monasteries, Magnetic Hill corridor and village stops. Prioritize one or two strong experiences rather than racing through a checklist.

EVENING

Settle around Sham Valley; choose a local meal, short sunset/market walk, then review the next day's weather, transport and opening conditions.

FIELD INTEL

High altitude: preserve acclimatization, hydration and road buffers. Recheck permits and road status locally.

DAY
02

Khardung La - Nubra → Nubra Valley → Shyok - Pangong

MORNING

Start early enough for a relaxed transition toward Khardung La - Nubra. Keep transport flexible and protect daylight for the best landscapes or heritage stops.

AFTERNOON

Focus on high pass crossing, Diskit and Hunder dunes; villages, monasteries and a slower valley morning; remote road, changing geology and Pangong arrival. Prioritize one or two strong experiences rather than racing through a checklist.

EVENING

Settle around Shyok - Pangong; choose a local meal, short sunset/market walk, then review the next day's weather, transport and opening conditions.

FIELD INTEL

High altitude: preserve acclimatization, hydration and road buffers. Recheck permits and road status locally.

DAY
03

Pangong Lake → Chang La - Leh → Leh Buffer

MORNING

Start early enough for a relaxed transition toward Pangong Lake. Keep transport flexible and protect daylight for the best landscapes or heritage stops.

AFTERNOON

Focus on sunrise, shoreline viewpoints and minimal-impact time by the lake; return over the high road with monastery options; market, cafe, museum, contingency or rest day. Prioritize one or two strong experiences rather than racing through a checklist.

EVENING

Settle around Leh Buffer; choose a local meal, short sunset/market walk, then review the next day's weather, transport and opening conditions.

FIELD INTEL

High altitude: preserve acclimatization, hydration and road buffers. Recheck permits and road status locally.

DAY
04

Tso Moriri → Tso Kar - Leh

MORNING

Start early enough for a relaxed transition toward Tso Moriri. Keep transport flexible and protect daylight for the best landscapes or heritage stops.

AFTERNOON

Focus on Changthang plateau, lake landscapes and nomadic culture; salt-lake country and high plateau return. Prioritize one or two strong experiences rather than racing through a checklist.

EVENING

Settle around Tso Kar - Leh; choose a local meal, short sunset/market walk, then review the next day's weather, transport and opening conditions.

FIELD INTEL

High altitude: preserve acclimatization, hydration and road buffers. Recheck permits and road status locally.
